

## Spray-on Grease H1

### Safety and health

When using WEICON products, the physical, safety technical, toxicological and ecological data and regulations in our EC safety data sheets ([www.weicon.com](http://www.weicon.com)) must be observed.

### Available sizes:

11541400      Spray-on Grease H1 400 ml

### high temperature grease

WEICON Spray-on Grease H1 is an odourless and tasteless grease that has been specially formulated to meet the requirements of the food, cosmetic and pharmaceutical industry. It is high-temperature resistant and has an NSF approval.

Spray-on Grease H1 is particularly suited for servicing and maintenance in breweries and in the beverage industry, in industrial slaughterhouses, canneries, coffee-roasting establishments, industrial kitchens, swimming pools, hotels, hospitals and wherever direct contact with food cannot be excluded.

### Technical Data

Odour	almost odourless
Features	odour- and tasteless high-temperature grease
Storage stability	24 months
Colour	yellowish-white
Kinematic viscosity (DIN 51562) at +40°C	400 mm <sup>2</sup> /s
Kinematic viscosity (DIN 51562) at +100°C	40 mm <sup>2</sup> /s
Temperature resistance	-40 to +160 °C

### Processing

Clean surfaces. To ensure perfect spraying, the product should have room temperature. Shake can before use until the mixing ball can be heard. Spray on from a distance of approx. 15 cm.

### Storage

Pressurized container: protect from sunlight and do not expose to temperatures exceeding +50°C.

### Note

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation. We do guarantee the continuously high quality of our products. However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.
