

Stainless Steel Care Spray

Available sizes:

11590400

Stainless Steel Care Spray 400 ml

antistatic cleaning

Stainless Steel Care Spray was specially formulated for the cleaning, protection and care of matt and polished stainless steel surfaces both indoors and outdoors and has an antistatic effect.

WEICON Stainless Steel Care Spray removes and prevents fingerprints, removes lubricating films e.g. from fume hoods, cleans even large surfaces without leaving streaks, and provides a long-lasting protective film which repels water and prevents new dirt from clinging. The product can be used in many applications.

Technical Data

Odour	almost odourless
Features	antistatic effect
Storage stability	24 months
Colour	colourless
Temperature resistance	-20 to +130 °C
ISSA-Code	53.402.03
IMPA-Code	450803

Processing

Thoroughly shake can prior to use. Evenly spray on a thin film at about 25 cm distance and wipe to spread with a dry soft cloth. Heavily soiled surfaces as e.g. in kitchen areas should be cleaned with a suitable cleaner product.

Storage

Pressurized container: protect from sunlight and do not expose to temperatures exceeding +50°C.

Safety and health

When using WEICON products, the physical, safety technical, toxicological and ecological data and regulations in our EC safety data sheets (www.weicon.com) must be observed.

Note

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation. We do guarantee the continuously high quality of our products. However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.
